NOTES – WINDSOR SEAWOLVES POOL RECORDS:

1. Age for these records is 'season age' which is based on a swimmer's age-group at the season's Club Championships (ie the age they turn in the last year of the season). This is a swimmer's age as appears on Meet Mobile throughout the season.
2. Records can be broken at Friday night club meets and the Club Championships only (not at inter-club carnivals or school carnivals).
3. Records are for Club Championships event distances (ie no 30m freestyle record for 10yrs and no 30m records for 11yrs and older), longer distances and medley.
4. Records are based on data available from 2011 onwards.
