Windsor State School P&C Association Application for Membership 2019

WINDSOR STATE SCHOOL P&C ASSOCIATION

The Windsor State School P&C represents the families of the school. Its purpose is to support the school in conducting its core business of educating our children. The P&C provides services such as the tuckshop and uniform shops, is a voice for families, advocates alongside and to the school for identified needs and encourages a sense of friendship and community spirit within the school community. The P&C functions to value-add to the resources, opportunities and facilities already provided through the School and Education Queensland.

Parents can become involved in many ways as fit in with other demands and commitments. At Windsor, parents are involved in many aspects of school life including fundraising, all levels of event organisation, sourcing funding grants, seeking sponsorship for P&C events, assisting with collation and distribution of newsletters, using their talents in baking, artwork or crafts, involvement in one of our subcommittees, and classroom help to name a few.

The P&C recognises the positive, supportive and friendly feel of Windsor is due to the efforts of parents, children and staff alike and does all it can to encourage the efforts made by all parts of this School community. Joining the P&C is a way to keep your finger on the pulse of what is happening within your child's school and have a voice within the school. Getting involved in the 'life' of Windsor, in small or large ways, will open up opportunities for new experiences, learning and lifelong friendships for your children and yourselves. We look forward to welcoming you as a member of our P&C and the Windsor school community.

CODE OF CONDUCT

The P&C strives to work as a well-ordered group that promotes interest and facilitates efforts and resources to further improve Windsor State School. A harmonious working environment is essential to the achievement of our goals and to high levels of volunteer contribution and volunteer satisfaction.

As members of Windsor State School P&C we agree:

- To comply with the Education Qld Code of Conduct.
- That conduct should always be with consideration of the school rules of Respect for Self, Respect for Others and Respect for the School as outlined in the Strategic Plan 2011.
- To treat all people with dignity, courtesy, honesty and fairness.
- That constructive criticism is healthy but personal attacks are destructive and to be avoided.
- That discrimination on racial, ethnic, sexual or religious grounds is not acceptable.

These are the standards expected of all volunteers including Parents and Citizens' Association members, committee members and parent representatives.
